## SAMRUDDHI MAHAMARG

CALL-9958125633

A 701 km 6 lane expressway connecting east and the west of Maharashtra. The main aim is to bring prosperity for all small villages and cities. Constructing multiple highways throughout the way connecting around 392 villages. Mahamarg will help connect better with JNPT, creating more job opportunities, reduce distance between JNPT and Nagpur- where MIHAN, the biggest development project is proposed.

19 villages will be created called as Krishi Samruddhhi Kendra, dedicated to promote economical activities.

Several commercial complexes, hospitals, food plazas, commercial and residential spaces, etc will be created along the way which will drive people from different talukas to move to these areas.

Samruddhi Mahamarg will be connecting to the major markets of Nagpur, Aurangabad, and Mumbai due to the harmonious network of various agricultural products and industrialization in the state.

Samruddhi Mahamarg' will connect the State of Maharashtra with the Delhi-Mumbai Industrial Corridor (DMIC) and the Western Dedicated Freight Corridor. Also, this corridor will be directly connected to JNPT.
